Dear partner organization.

The Vermont Association of Conservation Districts would like to extend a personal invitation to you and your organization to consider the NACD Northeast Region Meeting as a valuable way to promote and strengthen the marketing positioning of your company brand and products to an expanded demographic.

The National Association of Conservation Districts Northeast Region Meeting draws together representatives of Conservation Districts from 13 different states, in addition to state and Federal agencies from the Northeast and beyond.

This year the Meeting is being held in beautiful Vermont, on August 13-15. The theme is: "Feeding the World, Nurturing Our Communities." Participants will take part in conservation tours, policy presentations, updates from regional and national agency representatives, lively networking and keynote speeches, all related to this year's theme.

Your sponsorship will enable us to provide valuable speakers and innovative programmatic tours. Please consider the sponsorship levels on the attached form. If you have any questions please feel free to reach out to Joanne Dion, the VACD Program Assistant at: (802) 388-6748 ext. 132 or Joanne.Dion@vacd.org

Not only will you have the opportunity to showcase your product or service, but in addition, showcasing your organizations commitment and support of the valuable work conducted to protect our natural resources within the Northeast.
