Here is your opportunity to showcase your product or services to Conservation Districts and State Associations from 13 States and Districts within the Northeast.

The National Association of Conservation Districts Northeast Region Meeting draws together representatives of Conservation Districts from 13 different States, in addition to State and Federal agencies from the Northeast and beyond.

This year the Meeting is being held in beautiful Vermont, on August 13-15. The theme is: "Feeding the World, Nurturing Our Communities."

The Vermont Association of Conservation Districts would like to extend a personal invitation to you and your organization to consider the NACD Northeast Region Meeting as a valuable way to promote and strengthen the market positioning of your company brand and products to an expanded demographic.

Not only will you have the opportunity to showcase your product or service, but in addition, showcasing your organizations commitment and support of the valuable work conducted to protect our natural resources.

Your sponsorship will enable us to provide valuable speakers and innovative programmatic tours. Please consider the sponsorship levels on the back of this letter. If you have any questions please feel free to reach out to Joanne Dion, the VACD Program Assistant at: (802) 388-6748 ext. 132 or Joanne.Dion@vacd.org

We thank you greatly for your consideration and look forward to your partnership and support.

Sincerely,

Jill Arace
